

WORK HEALTH & SAFETY POLICY

Standby Property Maintenance is committed to providing a safe and productive environment in all aspects of our operations. Ensuring the safety of all our employees, our customer's employees and the public is the primary consideration in the workplace that we all share.

The Health & Safety of those who work either directly or indirectly for Standby Property Maintenance is of the utmost importance to Senior Management. It is our commitment to:

- Provide a safe and healthy working conditions for the prevention of work-related injury and ill health
- Fulfil our legal requirements under WHS law and any other WHS requirements
- Eliminate hazards and reduce WHS risks
- Continually improve our WHS management system
- Consulting with workers and their representatives and encouraging their participation in the management system

To achieve this, the following objectives have been established:

- Communicating this policy to all existing employees and to new employees when they commence with Standby Property Maintenance
- Incorporating risk management into all aspects of our business
- Incorporating health and safety into our corporate governance framework
- Complying with all Health & Safety legislation and other requirements which are relevant to Standby Property Maintenance
- Making our commitment to Health and Safety visible to all interested parties
- Identifying, assessing, eliminating, or controlling all potential health & safety hazards in the workplace through regular risk assessments and site safety inspections
- Learning from our mistakes, implementing corrective & preventive actions, and continually improving our management system
- Setting measurable objectives and targets which will be monitored to ensure continual improvement
- Maintaining a Safety Management System in accordance with the requirements of ISO 45001:2018
- Promoting workforce engagement in the development and maintenance of OHS management systems, policy, and procedure.

This policy together with the measurable objectives and targets will be reviewed on an annual basis to ensure that it remains relevant and suitable to the operations of Standby Property Maintenance.
